Southern Nevada Health District Service Updates

The Health District's Birth and Death Records office is closed to the public. Services are available online, and records may also be ordered by mail.

Clients can access the online form for birth certificates at:

www.southernnevadahealthdistrict.org/programs/vital-records/birth-certificates/

Death certificates may be accessed at:

www.southernnevadahealthdistrict.org/programs/vital-records/death-certificates/

The Southern Nevada Health District continues to offer clinical services to the community. Steps are being taken to ensure clients, patients, and staff members are protected during service delivery. Additional services are suspended or available online. Check the Health District [website](#) for updated information.
